To Whom It May Concern:

The Certificate of Correction issued on August 8, 2006, issued in error, in that error(s) was made in identifying the patent number and/or keying text/corrections, i.e.:

The application number in the heading of cofc has been incorrectly entered on issued cofc by the PTO. A superseding cofc will be issued to correct the application number to read as –
10/846,075--

Therefore, a certificate of correction will be issued to correct (supersede) the Certificate of Correction containing error(s), made during preparation of the Certificate of Correction, as noted above.

No further response is required, from applicants (attorney). However, errors discovered by attorney, other than as noted and described above, should be noted on *a copy* of the Certificate of Correction that was issued in error, accompanied by a signed transmittal letter and submitted directed to this Branch.
